INFORMED CONSENT

In the field of active tourism and adventure sports there is a potential risk derived from its very nature. The most frequent injuries are: slight contusions, sprains of the ankle or knee, dislocation of the shoulder, etc. In some cases it can lead to broken bones. In an almost zero percentage of 0.0005%, accidents can become more serious (vertebral rupture, drowning, etc.). The decision to participate in these activities assumes that the participant assumes the inherent risk of the activity and must be based on an understanding of these realities.

The registered participant acknowledges having read in full all the Terms and Conditions found on the rowildpackraft.com website, Contract Conditions, Privacy Policies, Transfer of Image Rights and type of event in which they register and EXPRESSLY EXPRESSLY:

1. - That for carrying out the PACKRAFTING activity, you have been sufficiently informed and in understandable language about the characteristics of the sports / adventure activity in which you have registered and in which you are going to participate, the risks of participation in said activity and the qualification and preparation of the technicians / monitors and Organization personnel who directs it, as well as the safety measures to be adopted by the Organization in carrying it out and those that must at all times follow and respect the participant. And of the physical conditions required for said participation and the minimum skill and qualification required for it.

2. - That to participate in water activities it is essential to know how to swim.

3. - That it lacks any contraindication for the practice of this activity / sport and has the necessary physical conditions to carry it out with complete normality and safety.

4. - That he agrees not to be under the influence of alcohol, drugs and / or narcotics, as well as any other medication that may affect his ability to react.

5. - That it voluntarily assumes the risks of the sports / adventure activity and, consequently, exempts the Organization from any damage or harm that both people and the personal objects they carry in the development of the sports / adventure activity may suffer both people and personal items that they carry in the development of sports / adventure. Such exemption does not include damages that may be considered the fault or negligence of the Organization.

6. - That the client is obliged to attend and follow the instructions of the guides and monitors in the development of the activity, since the safety of the activity depends, to a large extent, on following its instructions and guidelines. Respect at all times the environment and the other components of the activity. Otherwise, the company reserves the right of admission without option to returns of any client who does not comply with the prevention regulations for the development of the activity (ies) and the required hygienic-sanitary regulations derived from the risk. of contagion of COVID-19.

7. - That the signatory has full knowledge of the conditions of the activity to which he is enrolled, specifically, he claims to have knowledge of his distance requirements, technical and physical requirements, required material, accumulated slopes and recommended physical capacity (all this at your disposal in the web page) of the contracted activity.
